MoUs worth Rs. 800 crores signed

Chief Minister Jai Ram Thakur while addressing the second international 'Road show' organized by the State Government in association with the Confederation of Indian Industry (CII) at The Hague in Netherlands yesterday evening showcased the strengths of Himachal Pradesh, meticulously framed policies, suitable opportunities and State's readiness to encourage investment.

Jai Ram Thakur said that Netherlands was the second-largest exporter of agricultural products in the world and was known for its smart logistics, storage, and packaging technologies that keep food fresh longer that make agriculture as an important area of collaboration. He said that trade cooperation in the agricultural space would benefit both the nations and supplement the efforts of the Government to double its food production and double its farmer's income and the world knows that the Netherlands has the technologies to make it

happen. “My Government is putting up earnest efforts and budget on the renewal of apple orchards but still it has no match to the Netherlands, as the Dutch apple trees have a yield per hectare of 5 times the yield of the traditional apple trees variety in Himachal Pradesh, he added.

Chief Minister said that due to pristine atmosphere, peaceful environment, cultural diversity & linguistic plurality, Himachal Pradesh was one of the most visited States of the country. He said that there was immense potential available to the investors to invest in this key sector. Adventure tourism such as skiing, eco-tourism, developing Ski Resorts etc. also offered vast opportunities for the investment, he added.

While showcasing the investment opportunities being provided to the potential entrepreneurs, Chief Minister said that the State Government was providing attractive incentives under the Industrial Policy to boost investment in the State. He said that the Policy has been further amended to make it more attractive and industry friendly. “Special focus has been given in the new industrial policy to encourage investment in sectors such as Tourism, AYUSH, IT & Electronics and Hydro Energy, food processing and fruit processing etc”, he added.

Chief Minister said that the State Government was keen to do business with Netherlands because Dutch economy was very open and relies strongly on international trade. He said that Netherlands served as the gateway for over 20 percent of all European Union-bound Indian exports and we were sure that the country would play a pivotal role in India’s future trade talks with the European Union, he added.

Jai Ram Thakur said that over 115 Dutch companies such as Shell, Unilever, ING, Apollo, IKEA, Philips, Aegon, Heineken already have a growing and successful presence in India and the country has become a pivotal BPO base for Dutch companies too. He said that Prime Minister Narendra Modi and his Netherlands counterpart Mark Rutte signed over 50 MoUs in the fields of agriculture and food processing, technology, smart city development, cyber security, healthcare, clean energy and finance in May 2018. During the visit of Prime Minister to the Netherlands last year, both countries have initiated multiple programs to promote innovative solutions to solve challenges in healthcare, water, energy, and agriculture, he added.

Jai Ram Thakur said that the State Government was organizing its first Global Investors Meet in 2019 at Dharamshala for making it globally competitive and a leader among Indian states. The main objective of this Meet was to highlight Himachal Pradesh, before the whole world as a place for investment and opportunities, he said.
