HBW News is an international media platform that brings exclusive news stories from more than 30 countries. The Global 50 Glory Awards 2021 is an initiative to recognize and honor the 50 most promising visionaries, innovators, entrepreneurs and leaders in multiple sectors.

The Global 50 Glory Awards 2021 received more than 2500 nominations. It was a difficult call for the jury members to shortlist the winners as all the nominees had a successful track record in their respective fields. However, factors such as qualifications, achievements and impact on society helped the respected jury members to finalize the winners. The team congratulates and salutes the below winners:
