## Khattar directs to target potato processing & cold storage technology

Chandigarh, Nov 30 (UNI) Haryana Chief Minister Manohar Lal Khattar directed the Foreign Cooperation department to target potato processing and cold storage technology in Haryana in collaboration with Dutch investors.

A delegation from the Netherlands, including Mr Vikas Chaturvedi from Valuecent, Netherland, Mr Bhavana Vishwanath from Kiremko BV, Ms Shilpa Mittal from Women on Wings, Mr Gowhar Shah from Ridder Netherland, Mr Puneet Raman from PUM Netherlands and Mr Rajesh Chauhan from Schouten Europe interacted with the Chief Minister in a meeting organized by the Foreign Cooperation Department here on Tuesday.

During the meeting, the delegation was informed that Haryana is a pioneer in potato seed production. Mr Khattar directed the Foreign Cooperation Department to facilitate field visits for the Dutch investors to the sites that have been identified to set up potato processing units and cold storage plants in the state.
